Mon	Revelation 22	The new Government

WARNING!!

This chart provides a reading every day for four months. Ultimately the whole of the Bible must be read. "ALL Scripture is given by inspiration of God and is profitable.." (2 Timothy 3:16)

The Bible Reading Chart is put together for your convenience, to provide an outline of the teaching of the Bible. Once you have an overview of what the Bible is all about, we hope you will appreciate the message when you read the Bible in its entirety.
